

The Gift - Class 2C

Once upon a time, there was a girl sleeping.

She woke up in the morning, ate breakfast and got ready to go to school. At school the girl was reading, writing and drawing. After school, she returned home. When she arrived home she did her homework with her friend, a boy.

A little bird was good friends with the girl and when the girl went to the garden she would play with the boy and the bird. They would play tennis and volleyball. They also went to the swimming pool. After, they went to their homes to go to bed.

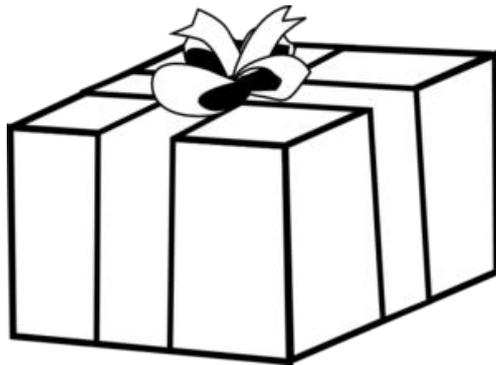

In the middle of the night, the girl woke up and realised her tooth had fallen out. The Tooth

Mouse came to her house and gave the girl money for her tooth.

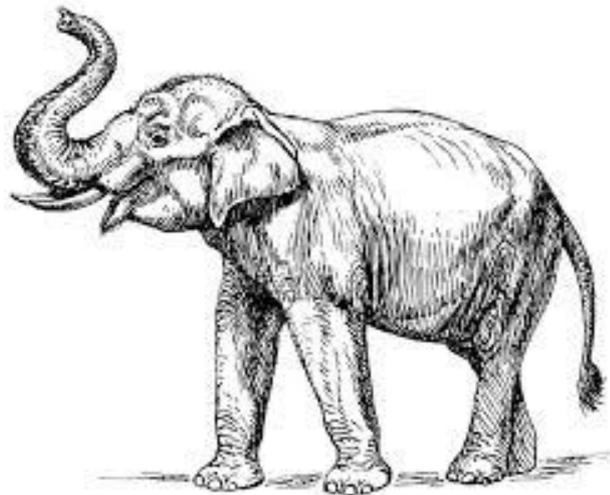

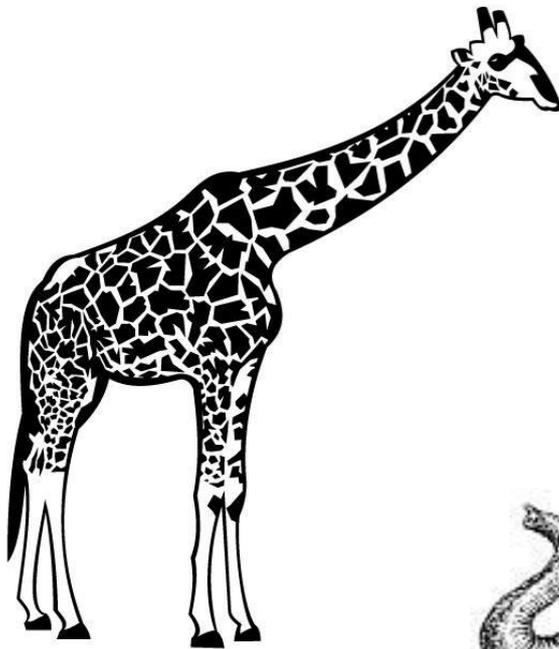

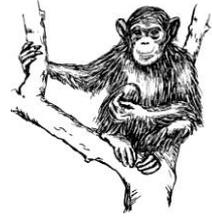

In the morning, the girl remembered it was the boy's birthday. She used the money from the tooth mouse to buy a present for the boy.

In the afternoon, the girl went to the boy's house for a birthday party and to give him his present. The boy said "Thank You". The boy was very excited because the present was a butterfly. The boy had special powers to shrink small and fly on the butterfly's back.

Their first trip was to the zoo to see giraffes, elephants and monkeys. All of a sudden, the boy was afraid because the monkey tried to catch the butterfly, but the butterfly flew high in the sky and they got away.

The butterfly and the boy went to the house rooftop and ate an ice cream. A short while later, the bird appeared with the girl on its back. Together they shared so many great adventures.

On their next adventure they plan to fly to the moon. Perhaps they'll catch a falling star!
