

# The Right Way – Activity Sheet

---

## **Summary:**

This short animated movie is the story of a day in a mom's life with her young daughter. While the child tests the mother's patience, there is a final moment of relief after the mom reveals her secret oasis within the confines of the home!

## **Activities:**

Do you think that the summary that we have written above is accurate? Was the child testing the mother's patience or was the mother testing the child's patience?

Did the food look good? Would it have been better if the mother had put a mixture of food that the child liked and healthy food together?

What is your favourite dinner? Describe it in lots of detail.

When the girl found the remote control for the television she was extremely happy but the mother said "no". Do your parents do the same? Why?

The girl was in her bedroom playing with toys and the mother came in and gave her the chess set to play with. Do you think that the girl played with the chess set? Why, or why not?

Finally, the mother went through a secret passage and sat down watching TV and eating junk food. Do you think this was fair? Why, or why not?

If you were the girl's mother what would you do differently? How could you do things so that you got what you wanted and the girl was happy also?
